AIRFRYER DOUBLE FRY ZONE 3 + 6 L

- Air fryer with 2 independent baking zones, so there is no transfer of odours or tastes
- Baking zones can be set separately and are therefore suitable for several preparations at the same time
- Hot air fryer: up to 80% less fat than regular frying
- Fast air circulation for quick and low-energy frying
- For fries, croquettes and snacks, but also chicken, meat, quiche, cake and others
- Capacity: 3 + 6 L
- Adjustable temperature from 80°C up to 200°C
- Timer up to 60 minutes
- Display with touch control panel: digital setting of time and temperature
- Functions:
 - Ending both zones simultaneously
 - Setting both zones identically
 - Preheating programme
- 6 automatic programmes
- 2 frying pans with grill with non-stick coating
- Cool touch housing and handle
- Overheating protection
