ICE CREAM MAKER ICE CREAM GENIUS

- For delicious ice cream within the hour
- Also suited for making gelato, sorbet, yoghurt and frozen yoghurt
- DC motor with direct drive: silent (< 60dB) and extra powerful
- Stainless-steel housing
- Removable 1.5 litre stainless-steel bowl
- Powerful, built-in compressor
- Precise hardness control
- Advanced technology: adjustable mix speed for a different taste experience every time. The more rotations per minute, the more air, fewer ice crystals and more intense taste
- Automatic programmes: ice cream, cooling, mixing and yoghurt
- Cooling feature
- LED display with indication of the time
- High-end XL smart touch screen
